§ 2522.210 How are AmeriCorps participants recruited and selected?

(a) *Local recruitment and selection.* In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) *National and State recruitment and selection.* The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). The national and state re-

cruitment and placement system will be designed and operated according to Corporation guidelines.

(2) *Dissemination of information.* The Corporation and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

(c) *National leadership pool—(1) Selection and training.* From among individuals recruited under paragraph (b) of this section or nominated by service programs, the Corporation may select individuals with significant leadership potential, as determined by the Corporation, to receive special training to enhance their leadership ability. The leadership training will be provided by the Corporation directly or through a grant, contract, or cooperative agreement as the Corporation determines.

(2) *Emphasis on certain individuals.* In selecting individuals to receive leadership training under this provision, the Corporation will make special efforts to select individuals who have served—

(i) In the Peace Corps;

(ii) As VISTA volunteers;

(iii) As participants in AmeriCorps programs receiving assistance under parts 2520 through 2524 of this chapter;

(iv) As participants in National Service Demonstration programs that received assistance from the Commission on National and Community Service; or

(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.

(3) *Assignment.* At the request of a program that receives assistance, the Corporation may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not

§ 2522.220

otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.

§ 2522.220 What are the required terms of service for AmeriCorps participants, and may they serve for more than one term?

(a) *Term of service.* In order to be eligible for the educational award described in §2522.240(a), participants serving in approved AmeriCorps positions must complete a term of service as defined in this section:

(1) *Full-time service.* 1,700 hours of service during a period of not less than nine months and not more than one year.

(2) *Part-time service.* 900 hours of service during a period of not more than two years, or, if the individual is enrolled in an institution of higher education while performing all or a portion of the service, not more than three years.

(3) *Reduced part-time term of service.* The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by the Corporation.

(4) *Summer programs.* A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) *Restriction on multiple terms.* An AmeriCorps participant may only receive the benefits described in §§2522.240 through 2522.250 for the first two successfully-completed terms of service, regardless of whether those terms were served on a full-, part-, or reduced part-time basis.

(c) *Eligibility for second term.* A participant will only be eligible to serve a second or additional term of service if that individual has received satisfactory performance review(s) for any previous term(s) of service in accordance

45 CFR Ch. XXV (10–1–02 Edition)

with the requirements of paragraph (d) of this section. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(d) *Participant performance review.* For the purposes of determining a participant's eligibility for a second or additional term of service and/or for an AmeriCorps educational award, each AmeriCorps program will evaluate the performance of a participant mid-term and upon completion of a participant's term of service. The end-of-term performance evaluation will assess the following: (1) Whether the participant has completed the required number of hours described in paragraph (a) of this section;

(2) Whether the participant has satisfactorily completed assignments, tasks or projects; and

(3) Whether the participant has met any other performance criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(e) *Limitation.* The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1),(a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(f) *Grievance procedure.* Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

§ 2522.230 Under what circumstances may AmeriCorps participants be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances as demonstrated by the participant, or for cause.
